

VIRGINIA TRANSPORT CAPABILITY STATEMENT

MC: 996317 USDOT: 294-4267 DUNS: 080446111 SCAC: VRGP CAGE: 7RT90 UEI: CCW6AURCA3F9

Virginia Transport, LLC is a small business/HUBZone freight, fuel and freight forwarding provider working as a prime contractor to the U.S. Government as well as a subcontractor with prime defense, construction, and fuel contractors. We are responsible for the integration of all logistics support functions including transportation, planning, risk mitigation, rigging, warehousing, crating, and more for US Government agencies, prime contractors and commercial interests. We have direct access to the DOD's GFM and CAS systems for bidding and clearance access to military installations and DLA sites in the United States. VT has general and emergency rates as a certified TSP with the GSA.

FULL SERVICE DOMESTIC AND INTERNATIONAL DOOR TO DOOR LOGISTICS PROVIDER
